ADDENDUM 1

PROJECT 150362/4: CONSTRUCTION OF THE LOSKOP REGIONAL BULK WATER SUPPLY SCHEME IN THEMBISILE HANI LOCAL MUNICIPALITY – WORK PACKAGE 4 (CONSTRUCTION OF 2X10ML CONCRETE RESERVOIR)

1. Notice is hereby given only to Prospective Bidders who attended a Compulsory Briefing Session, which was held virtually through Microsoft MS Teams on 10 February 2023, that the Bill of Quantities ("BoQ") as uploaded on Etender portal (www.etender.gov.za) on 8 February 2023 will be been removed from Etender portal with effect from 01 March 2023, after some significant errors were identified on it.
2. As a result, an amended BoQ will be uploaded on Etender portal as from 2 March 2023 for downloading and pricing purposes in terms of the above-mentioned project. Therefore, any BoQ downloaded prior to the 2nd March 2023 and used for pricing purpose will most definitely be an incorrect BoQ for purposes of the above-mentioned project, and will lead to tender being non-responsive.
3. Technical Enquiries contact person is Mr. Papy Kangudi from Monde Consulting and can be contacted on 013 752 4616 and alternatively via the email on admin@mondeconsulting.co.za.

Yours Sincerely,

Ms. M.M. Skosana
Municipal Manager.
