

Spain ace eclipses
Brazilian great Pele

By Martin Petty

Spain teenager Lamine Yamal on Tuesday sought to play down excitement over his wonder goal against France, but said reaching the European Championship final was a dream come true for him — and also his mother.

Yamal (16) eclipsed Brazilian great Pele to become the youngest player to score in a World Cup or Euros with a stunning 21st minute strike that sailed into the top corner, helping Spain come from a goal down to beat France 2-1.

He was asked how he felt about scoring what could be the goal of Euro 2024.

“I’m happy for the victory and for get-

ting to the final. I don’t know if it’s the best goal of the tournament but it’s the most special for me because getting to a final with the national team in the Euros is super special for me,” he told reporters.

With his creativity, pace and panache, Yamal has glittered as part of a Spain side who have won all their six matches at Euro 2024.

They are now within reach of a record-breaking fourth Euros title.

Coach Luis de la Fuente described Yamal’s goal as “a touch of genius”.

Yamal was asked if he was aware he had

become an icon of the tournament and said it did not matter what people thought of his individual contribution.

“I try not to look at that too much. I don’t know if I’m the icon or not.

“That doesn’t help anything on the pitch. I need to help my team, that’s what I try to do and that’s what I tried to do

today,” he said.

“I was happy after the final whistle. It’s a dream come true, reaching a final with the senior national team.

“Even my mum said it was her dream too. So I’m happy that was my goal against France, my first goal against France, in a semifinal.” - Reuters
